

THIS SPRING

be someone's sunshine

Supporting our cause may not change the whole world, but it could change the world for us

- Help us to make a difference to our community – play for just £1 a week so we can improve the lives of local people
- For every £1 ticket our cause will receive 50p back, a further 10p goes to other great causes in the local area
- Give us a little to make BIG impact and create lasting change
- Whilst it's better to give than receive – you also get the chance to win up to £25,000 every week!

To start playing and supporting
Compass Disability Services....
