You shop. Amazon gives.

Do you shop with Amazon?

If you do, AmazonSmile is a great way to support us every time you shop there online at no extra cost to you. With the same products and selection as Amazon.co.uk, you will be helping Compass Disability Services by automatically donating a portion of your purchase to us!

Simply log onto www.smile.amazon.co.uk as you normally would in standard Amazon and then select Compass Disability Services.

Thank you
